C1.2 Implementation

Part “A” may include provisions respecting the implementation of central terms by the school board and the union. Any such provision shall be binding on the school board and the union. Should a provision in Part A conflict with a provision in Part B, the provision in Part A, Central Term will apply.

C1.3 Parties

- a) The parties to the collective agreement are the school board or school Authority and the union.
- b) Central collective bargaining shall be conducted by the central employer and employee bargaining agencies representing the local parties.

C1.4 Single Collective Agreement

Central terms and local terms shall together constitute a single collective agreement for all purposes.

C2.00 DEFINITIONS

C2.1 Unless otherwise specified, the following definitions shall apply only with respect to their usage in standard central terms. Where the same word is used in Part B of this collective agreement, the definition in that part, or any existing local interpretation, shall prevail.

C2.2 The “Central Parties” shall be defined as the employer bargaining agency, the Council of Trustees’ Associations/Conseil d’Associations des Employeurs (CTA/CAE) and the employee bargaining agency, the Canadian Union of Public Employees/Syndicat Canadien de la Fonction Publique (CUPE/SCFP).

CUPE/SCFP refers to the designated employee bargaining agency pursuant to subsection 20 (1) of the *School Boards Collective Bargaining Act, 2014* for

central bargaining with respect to employees in the bargaining units for which CUPE/SCFP is the designated employee bargaining agency.

CTA/CAE refers to the designated employer bargaining agency pursuant to subsection 21 (6) of the *School Boards Collective Bargaining Act, 2014* for central bargaining with respect to employees in the bargaining units for which CUPE/SCFP is the designated employee bargaining agency. The CTA/CAE is composed of:

1. ACEPO refers to l'Association des conseils scolaires des écoles publiques de l'Ontario as the designated bargaining agency for every French-language public district school board.
2. AFOCSC refers to l'Association franco-ontarienne des conseils scolaires catholiques as the designated bargaining agency for every French-language Catholic district school board.

C3.1 Term of Agreement

The term of this collective agreement, including central terms and local terms, shall be from September 1, 2022 to August 31, 2026 inclusive.

C3.2 Term of Letters of Agreement/Understanding

All central letters of agreement/understanding appended to this agreement, or entered into after the execution of this agreement shall, unless otherwise stated therein, form part of the collective agreement, run concurrently with it, and have the same termination date as the agreement.

C3.3 Amendment of Terms

In accordance with Section 42 of the *School Boards Collective Bargaining Act, 2014*, the central terms of this agreement, excepting term, may be amended at any time during the life of the agreement upon mutual consent of the

central parties and agreement of the Crown. It is understood the union will follow its internal approval process.

C3.4 Notice to Bargain

- a) Where central bargaining is required under the *School Boards Collective Bargaining Act, 2014*, notice to bargain centrally shall be in accordance with Sections 31 and 28 of that Act, and with Section 59 of the *Labour Relations Act, 1995*.

Notice to commence bargaining shall be given by a central party:

C4.00 CENTRAL DISPUTE RESOLUTION PROCESS

The following process pertains exclusively to disputes and grievances on central matters that have been referred to the central process. In accordance with the *School Board Collective Bargaining Act, 2014* central matters may also be grieved locally, in which case local grievance processes will apply. In the event that central language is being grieved locally, the local parties shall provide the grievance to their respective central agents. Where a local grievance has been filed, the central parties will jointly recommend in writing to the Local Parties that the local grievance be held in abeyance until the Central Dispute Resolution Committee, the Central Parties, or the Crown takes action under Article 4.

C4.1 Statement of Purpose

- a) The purposes of the Central Dispute Resolution Process (CDRP) shall include the expeditious processing and resolution of disputes through consultation, discussion, mediation or arbitration, and the avoidance thereby of multiplicity of proceedings.

C4.2 Parties to the Process

The Committee will be co-chaired by a representative from each bargaining agency. All correspondence to the committee will be sent to both co-chairs.
- b) The Central Parties and the Crown will provide a written list of representatives appointed to the Committee with contact information every September. Any changes in representation will be confirmed in writing.
- c) A local party shall not be party to the CDRP, or to the Committee, except to the extent its interests are represented by its respective central party on the Committee.

C4.4 Selection of Representatives

- a) Each central party and the Crown shall select its own representatives to the Committee.

C4.10 Language of Proceedings

- a) Where a dispute arises uniquely under a collective agreement in the French language, the documentation shall be provided, and the proceedings conducted in French. Where the responding party wishes to provide a written response prior to the committee meeting, that response shall be forwarded to the other Central party and the Crown.
- b) The Committee shall conduct a review of the dispute. The Committee will meet to review the dispute within twenty (20) working days or at the next scheduled meeting of the Committee.
- c) If the dispute is not settled or withdrawn, within twenty (20) working days of the Committee meeting, the central party submitting the dispute may:
 - i. Continue informal discussions; or
 - ii. Refer the dispute back to the local grievance procedure
- d) If the dispute remains unresolved for longer than sixty (60) working days the dispute may be referred as a grievance. Once referred as a grievance the parties may:

- i. Refer the grievance to Voluntary Mediation or Expedited Mediation
- ii. Refer the grievance to Arbitration.

C4.14 Timelines

- a) Timelines may be extended by mutual consent of the parties.

- b) Where the central parties have agreed to mediation, the cost shall be shared equally between the central parties.

- e) Following ratification, the parties shall contact mediator(s) to establish three dates for mediation. Dates shall be scheduled in consultation with the parties. One of the expedited mediation sessions shall be conducted in French and two of the expedited mediation sessions shall be conducted in English every school year of the agreement unless agreed otherwise by the parties.

- f) It is understood that the resolution of any grievance under the mediation process shall be without prejudice and shall not be raised or relied upon by either party or the Crown in any future proceeding, except for enforcement purposes.
- g) The parties may jointly set down up to 5 (five) grievances for each review.
- h) The mediator shall have the authority to assist the parties in a mediated resolution to the grievance.
- i) Each party shall prepare a mediation brief to assist the mediator, which shall include the following:
 - A short description of the grievance.

 - A list of any relevant provisions of the collective agreement.
 - Any relevant documentation.
- j) The description of the grievance and the relevant facts shall not be typically longer than two pages.

- b) In order to have an expeditious process, the parties shall consider sharing prior to the hearing the following, “Written Briefs”, “Will Say Statements” “Agreed Statement of Facts” and the case law the parties intend to rely on. The parties will make best efforts to respond to disclosure requests in a timely fashion prior to the hearing.

- c) The central parties shall use the mutually agreed-to list of arbitrators set out in Letter of Understanding #7. Arbitrators on the list will be used in rotation, based on availability. On mutual agreement, the parties may add to or delete from the list during the term of the agreement, as required.
- d) The Parties shall select an arbitrator from the list to subject to their availability to hear the matter within eighteen (18) months, on a date convenient to the parties. - e) The central parties may refer multiple grievances to a single arbitrator.
- f) The cost of proceedings, including arbitrator fees and rental of space, shall be shared equally between the central parties.

Funding related to the CUPE EWBT will be based on the following:

- a) Funding amounts:

“Wages” is defined as the amount of money the employee would have otherwise received over a period of absence, excluding overtime.

a) Sick Leave Benefit Plan

The Board will provide a Sick Leave Benefit Plan which will provide sick leave days and short-term disability coverage to provide protection against loss of income when ill or injured as defined below. An employee, other than a casual employee as defined above, is eligible for benefits under this article.

Sick leave days may be used for reasons of personal illness, personal injury, personal medical appointments, or personal dental emergencies only. Appointments shall be scheduled outside of working hours, where possible.

Employees receiving benefits under the *Workplace Safety and Insurance Act*, or under an LTD plan, are not entitled to benefits under a school board's sick leave and short-term disability plan for the same condition.

b) Sick Leave Days Payable at 100% Wages

Permanent Employees

Subject to paragraphs d), e) and f) below, Employees will be allocated eleven (11) sick days payable at one hundred percent (100%) of wages on the first day of each fiscal year, or the first day of employment.

Employees on Long-Term Supply Assignments

Subject to paragraph d) below, Employees completing a full-year long-term supply assignment shall be allocated eleven (11) sick days payable at one hundred percent (100%) of wages at the start of the assignment. An employee completing a long-term supply assignment that is less than a full year will be allocated eleven (11) sick days payable at one hundred percent (100%) reduced to reflect the proportion the long-term supply assignment bears to the length of the regular work year for the position.

c) Short Term Disability Coverage – Days Payable at 90% Wages

Permanent Employees

Subject to paragraphs d), e) and f) below, permanent Employees will be allocated one hundred and twenty (120) short-term disability days at the start of each fiscal year or the first day of employment. Permanent Employees eligible to access short-term disability coverage shall receive payment equivalent to ninety percent (90%) of regular wages.

Employees on Long-Term Supply Assignments

Subject to paragraph d) below, Employees completing a full year long-term supply assignment shall be allocated one hundred and twenty (120)

short-term disability days payable at ninety percent (90%) of wages at the start of the assignment.

An employee completing a long-term supply assignment that is less than a full year will be allocated one hundred and twenty (120) short-term disability days payable at ninety percent (90%) of wages reduced to reflect the proportion the long term supply assignment bears to the length of the regular work year for the position.

d) Eligibility and Allocation

A sick leave day/short term disability leave day will be allocated and paid in accordance with current local practice.

Any changes to hours of work during a fiscal year shall result in an adjustment to the allocation.

Permanent Employees

The allocations outlined in paragraphs b) and c) above will be provided on the first day of each fiscal year, or the first day of employment, subject to the exceptions below:

Where a permanent Employee is accessing sick leave and/or the short-term disability plan in a fiscal year and the absence continues into the following fiscal year for the same medical condition, the permanent Employee will continue to access any unused sick leave days or short-term disability days from the previous fiscal year's allocation.

A new allocation will not be provided to the permanent Employee until s/he has returned to work and completed eleven (11) consecutive working days at their regular working hours. The permanent Employee's new sick leave allocation will be eleven (11) sick leave days payable at 100% wages. The permanent Employee will also be allocated one hundred and twenty (120) short-term disability leave days based on the provisions outlined in c) above reduced by any paid sick days already taken in the current fiscal year.

If a permanent Employee is absent on his/her last regularly scheduled work day and the first regularly scheduled work day of the following year for unrelated reasons, the allocation outlined above will be provided on the first day of the fiscal year, provided the employee submits medical documentation to support the absence, in accordance with paragraph (h).

Employees on Long-Term Supply Assignments

Employees completing long term supply assignments may only access sick leave and short-term disability leave in the fiscal year in which the allocation was provided. Any remaining allocation may be used in subsequent long-term supply assignments, provided these occur within the same fiscal year.

Employees employed in a long-term supply assignment which is less than the ordinary period of employment for the position shall have their sick leave and short-term disability allocations pro-rated accordingly.

Where the length of the long-term supply assignment is not known in advance, a projected length must be determined at the start of the assignment in order for the appropriate allocation of sick leave/short-term disability leave to occur. If a change is made to the length of the assignment, an adjustment will be made to the allocation and applied retroactively.

e) Refresh Provision for Permanent Employees

Permanent Employees returning from LTD or workplace insurance leave to resume their regular working hours must complete eleven (11) consecutive working days at their regular working hours to receive a new allocation of sick/short-term disability leave. If the Employee has a recurrence of the same illness or injury, s/he is required to apply to reopen the previous LTD or WSIB claim, as applicable.

The Local union and Local school board agree to continue to cooperate in the implementation and administration of early intervention and safe return to work processes as a component of the Short-Term Leave and Long Term Disability Plans.

In the event the Employee exhausts his/her sick/short-term disability leave allocation from the previous year and continues to work part-time, their salary will be reduced accordingly and a pro-rated sick/short-term allocation for the employee's working portion of the current year will be provided. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours. Any changes to hours of work during a fiscal year shall result in an adjustment to the allocation.

For the purposes of d) and e) of this article, eleven (11) consecutive working days of employment shall not include a period of leave for a medical appointment, which is related to the illness/injury that had been

the reason for the employee's previous absence, but days worked before and after such leave shall be considered consecutive. It shall be the employee's obligation to provide medical confirmation that the appointment was related to the illness/injury.

f) WSIB & LTD

An Employee who is receiving benefits under the Workplace Safety and Insurance Act, or under an LTD plan, is not entitled to benefits under a school board's sick leave and short-term disability plan for the same condition unless the employee is on a graduated return to work program then WSIB/LTD remains the first payor.

For clarity, where an employee is receiving partial benefits under WSIB/LTD, they may be entitled to receive benefits under the sick leave plan, subject to the circumstances of the specific situation. During the interim period from the date of the injury/incident or illness to the date of the approval by the WSIB/LTD of the claim, the employee may access sick leave and short-term leave and disability coverage. A reconciliation of sick leave deductions made and payments provided, will be undertaken by the school board once the WSIB/LTD has adjudicated and approved the claim. In the event that the WSIB/LTD does not approve the claim, the school board shall deal with the absence consistent with the terms of the sick leave and short-term leave and disability plans.

g) Graduated Return to Work

Where an Employee is not receiving benefits from another source and is working less than his/her regular working hours in the course of a graduated return-to-work as the Employee recovers from an illness or injury, the Employee may use any unused sick/short term disability allocation remaining, if any, for the portion of the day where the Employee is unable to work due to illness or injury. A partial sick/short term leave day will be deducted for an absence of a partial day in the same proportion as the duration of the absence is to an employee's regular hours.

Where an employee returns on a graduated return to work from a WSIB/LTD claim, and is working less than his/her regular hours, WSIB and LTD will be used to top up the employee's wages, as approved and if applicable.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source;
- and is working less than his/her regular hours of work;
- and has sick leave days and/or short-term disability days remaining from the previous year

The employee can access those remaining days to top up their wages proportional to the hours not worked.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source,
- and is working less than his/her regular hours of work,
- and has no sick leave days and/or short-term disability days remaining from the previous year,

the employee will receive 11 days of sick leave paid at 100% of the new reduced working hours. When the employee's hours of work increase during the graduated return to work, the employee's sick leave will be adjusted in accordance with the new schedule. In accordance with paragraph c), the Employee will also be allocated one hundred and twenty (120) short-term disability days payable at ninety percent (90%) of regular salary proportional to the hours scheduled to work under the graduated return to work. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours.

h) Proof of Illness

Sick Leave Days Payable at 100%

A Board may request medical confirmation of illness or injury and any restrictions or limitations any Employee may have, confirming the dates of absence and the reason thereof (omitting a diagnosis). Medical confirmation is to be provided by the Employee for absences of five (5) consecutive working days or longer. The medical confirmation may be required to be provided on the form contained in Appendix C.

Short-Term Disability Leave

In order to access short-term disability leave, medical confirmation may be requested and shall be provided on the form attached as Appendix "C" to this Agreement.

In either instance where an Employee does not provide medical confirmation as requested, or otherwise declines to participate and/or cooperate in the administration of the Sick Leave Plan, access to compensation may be suspended or denied. Before access to compensation is denied, discussion will occur between the union and the school board. Compensation will not be denied for the sole reason that the medical practitioner refuses to provide the required medical information. A school board may require an independent medical examination to be completed by a medical practitioner qualified in respect of the illness or injury of the Board's choice at the Board's expense.

In cases where the Employee's failure to cooperate is the result of a medical condition, the Board shall consider those extenuating circumstances in arriving at a decision.

i) Notification of Sick Leave Days

The Board shall notify employees and the Bargaining Unit, when they have exhausted their 11 days allocation of sick leave at 100% of salary.

j) Pension Contributions While on Short Term Disability

Contributions for OMERS Plan Members:

When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OMERS contributions based on 100% of the employee/plan member's regular pay.

Contributions for OTPP Plan Members:

- i. When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OTPP contributions based on 100% of the employee/plan member's regular pay.
- ii. If the plan employee/plan member exceeds the maximum allowable paid sick leave before qualifying for Long-Term Disability (LTD)/Long Term Income Protection (LTIP), pension contributions will cease. The employee/plan member is entitled to complete a purchase of credited service, subject to existing plan provisions for periods of absence due to illness between contributions ceasing under a paid short-term sick leave

provision and qualification for Long-Term Disability (LTD)/Long-Term Income Protection (LTIP) when employee contributions are waived. If an employee/plan member is not approved for LTD/LTIP, such absence shall be subject to existing plan provisions.

k) Top-up Provisions

Employees accessing short-term disability leave as set out in paragraph c) will have access to any unused sick leave days from their last fiscal year worked for the purpose of topping up wages to one hundred percent (100%) under the short-term disability leave.

This top-up is calculated as follows:

Eleven (11) days less the number of sick leave days used in the most recent fiscal year worked.

Each top-up to 100% from 90 to 100% requires the corresponding fraction of a day available for top-up.

In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short-Term Paid Leave Days/Miscellaneous Personal Leave Days in the current year. These days can be used to top-up salary under the short-term disability leave.

When employees use any part of a short-term disability leave day they may access their top up bank to top up their salary to 100%.

l) Sick Leave to Establish EI Maternity Benefits

If the Employee will be able to establish a new EI Maternity Benefit claim in the six weeks immediately following the birth of her child through access to sick leave at 100% of her regular salary, she shall be eligible for up to six weeks leave at 100% of her regular salary without deduction from the sick days or short-term disability leave days (remainder of six weeks topped-up as SEB).

“General Nature of Illness” (or injury) suggests a general statement of a person’s illness or injury in plain language without any technical medical details, including diagnosis. Although revealing the nature of an illness may suggest the diagnosis, it will not necessarily do so.

“Nature of illness” and “diagnosis” are not congruent terms. For example, a statement that a person has a cardiac or abdominal condition or that s/he has undergone surgery in that respect reveals the essence of the situation without revealing a diagnosis.

Additional or follow up information may be requested as appropriate.

Re: Status Quo Central Items and Items Requiring Amendment and Incorporation

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo or are altered as outlined below. The following language must, however, be aligned with current local provisions. The following issues are not subject to local bargaining or amendment by the local parties. Any disputes arising from these provisions may form the subject of a central dispute.

PREGNANCY/PARENTAL LEAVES OF ABSENCE/SEB – EI WAITING PERIOD

The parties agree that the issue of the statutory amendment to the *Employment Insurance Act* resulting in a reduction of the employment insurance waiting period has been addressed at the central table and the intent of any existing local collective agreement provisions shall remain status quo. Therefore, where a school board's local collective agreement language references a two-week waiting period and required payment for the two-week waiting period, the board shall ensure that the funds payable from the board to a permanent employee taking an approved leave of 12 months or greater, shall reflect the full sum that would have been payable prior to the reduction of the waiting period.

Provisions with regard to waiting periods and/or payments during such waiting periods shall not be subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein and to accord with the relevant statutory change that reduced the waiting period to one week.

STATUTORY/PUBLIC HOLIDAYS

School boards shall ensure that within their local collective agreement terms, Family Day is included as a statutory/public holiday.

WSIB TOP-UP

If a class of employee was entitled to receive WSIB top-up on August 31, 2012 deducted from sick leave, the parties who have not yet do so must incorporate those same provisions without deduction from sick leave. The top-up amount to a maximum of four (4) years and six (6) month shall be included in the 2019-2022 collective agreement.

For parties who have yet to incorporate or aligned local language into the 2014-2017 collective agreement, the following shall apply:

Common Central Provisions

Maternity Benefits/SEB Plan

- a) A full-time and part-time permanent Employee who is eligible for pregnancy leave pursuant to the *Employment Standards Act*, shall receive *100% salary through a Supplemental Employment Benefit (SEB) plan for a total of *eight (8) weeks (*or insert local superior provision reflecting status quo) immediately following the birth of her child with no deduction from sick leave or the Short Term Leave Disability Program (STLDP).
- b) Full-time and part-time permanent Employees not eligible for a SEB plan as a result of failing to qualify for Employment Insurance will be eligible to receive 100% of salary from the employer for a total of eight (8) weeks with no deduction from sick leave or STLDP.
- c) Where any part of the eight (8) weeks falls during the period of time that is not eligible for pay (i.e. summer, March Break, etc.), the full eight (8) weeks of top up shall continue to be paid.
- d) Full-time and part-time permanent Employees who require longer than the eight (8) week recuperation period shall have access to sick leave and the STLDP subject to meeting the requirements to provide acceptable medical verification.
- e) Employees completing a long-term supply assignment of 6 months or more shall be eligible for the SEB as described herein for a maximum of eight (8) weeks or the remaining number of weeks in their current assignment after the birth of her child, whichever is less.
- f) Employees not defined above have no entitlement to the benefits outlined in this article.

SHORT-TERM PAID LEAVES

The parties agree that the issue of short-term paid leaves has been addressed at the central table and the provisions shall remain status quo to the provisions in current local collective agreements. For clarity, any leave of absence in the 2008-2012 local collective agreement that utilized deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of 5 days per school year. For further clarity, those boards that had 5 or less shall remain at that level. Boards that had 5 or more days shall be capped at 5 days. These days shall not be used for the purpose of sick leave, nor shall they accumulate from year to year.

Short-term paid leave provisions in the 2008-12 collective agreement that did not utilize deduction from sick leave remain status quo and must be incorporated into the 2014-17 collective agreement.

Provisions with regard to short-term paid leaves shall not subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein.

RETIREMENT GRATUITIES

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix B - Retirement Gratuities.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

“Retirement Gratuities were frozen as of August 31, 2012. Employees are not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Employee had accumulated and was eligible to receive as of that day. The following language applies only to those employees eligible for the gratuity above.”

SICK LEAVE TO BRIDGE LONG-TERM DISABILITY WAITING PERIOD

Boards which have Long-Term Disability waiting periods greater than 131 days shall ensure there is language that accords with the following entitlement:

An Employee who has applied for long-term disability is eligible for additional short-term disability leave days up to the maximum difference between the long-term disability waiting period and 131 days. The additional days shall be payable at 90% and shall be used only to bridge the employee to the long-term disability waiting period if, under a collective agreement in effect on August 31, 2012, the employee was required to wait more than 131 days before being eligible for benefits under a long-term disability plan and the collective agreement did not allow the employee the option of reducing that waiting period.

Re: Job Security: Protected Complement

The parties acknowledge that education workers contribute in a significant way to student achievement and well-being.

1. Effective as of the date of central ratification, the Board undertakes to maintain its Protected Complement, except in cases of:
 - a) A catastrophic or unforeseeable event or circumstance;
 - b) Declining enrolment;
 - c) Funding reductions directly related to services provided by bargaining unit members; or
 - d) School closure and/or school consolidation.
2. Where complement reductions are required pursuant to 1. above, they shall be achieved as follows:
 - a) In the case of declining enrolment, complement reductions shall occur at a rate not greater than the rate of student loss, and
 - b) In the case of funding reductions, complement reductions shall not exceed the amount of such funding reductions, and
 - c) In the case of school closure and/or school consolidation, complement reductions shall not exceed the number of staff prior to school closure/consolidation at the affected location(s).

Local collective agreement language will be respected, regarding notification to the union of complement reduction. In the case where there is no local language the board will notify the union within twenty (20) working days of determining there is to be a complement reduction.

3. For the purpose of this Letter of Understanding, at any relevant time, the overall protected complement is equal to:
 - a) The FTE number (excluding temporary, casual and/or occasional positions) as at date of central ratification. The FTE number is to be agreed to by the

parties through consultation at the local level. Appropriate disclosure will be provided during this consultation. Disputes with regard to the FTE number may be referred to the Central Dispute Resolution Process.

- b) Minus any attrition, defined as positions that become vacant and are not replaced, of bargaining unit members which occurs after the date of central ratification.
4. Once the FTE number has been established in accordance with paragraph 3, above, the local parties shall jointly report the number to the Central Labour Relations Committee.
 5. Notwithstanding the provisions of the School Boards Collective Bargaining Act (SBCBA) requiring the ratification of both local and central terms for a collective agreement to be effective, the parties agree that CUPE locals and School Boards will meet within 30 days of ratification of the central agreement to establish and maintain the protected complement.
 6. Reductions as may be required in 1. above shall only be achieved through lay-off after consultation with the union on alternative measures, which may include:
 - a) priority for available temporary, casual and/or occasional assignments;
 - b) the establishment of a permanent supply pool where feasible;
 - c) the development of a voluntary workforce reduction program (contingent on full provincial government funding).
 7. The above language does not allow trade-offs between the classifications outlined below:
 - a) Educational Assistants
 - b) DECEs
 - c) Secretaries
 - d) Custodians
 - e) Cleaners
 - f) Information Technology Staff
 - g) Library Technicians
 - h) Instructors
 - i) Supervisors
 - j) Central Administration
 - k) Professionals
 - l) Maintenance/Trades
 8. The parties agree that where local collective agreement language currently exists that provides a superior benefit specifically with regard to protected complement FTE number, that language will prevail.
 9. This Letter of Understanding expires on August 30, 2026.

RE: Actuarial Variation

The Parties wish to affirm the importance of the CUPE Education Workers' Benefits Trust's annual actuarial report in ensuring the financial sustainability of the plan. As per section 16.3 of the CUPE EWBT Agreement and Declaration of Trust, these actuarial reports are made using actuarial assumptions in accordance with generally accepted actuarial principles.

The Parties acknowledge that the actuarial assumptions used, in particular those associated with the forecasted per-Full-Time Equivalent (FTE) funding increases for years which are not covered by a current collective agreement, may require the board of Trustees to make immediate decisions prior to the next round of bargaining.

Therefore, the Parties agree to amend the CUPE EWBT Trust Agreement as follows: If the most recent actuarial report covers a year that is not part of the collective agreement, and the actuarial report includes a funding assumption of 0 per cent for that year, and if the Claims Fluctuation Reserve (CFR) is projected to be below 8.3% in such a year:

- There is no requirement for the trustees to make a plan design change; however, they may.
- There is a requirement for the trustees to develop a contingency plan in the event that the funding negotiated in central bargaining results in the CFR continuing to be projected to be below the 8.3% threshold, and the plan is to be shared with

- the central parties. The contingency plan must include the following elements, at a minimum:
 - 3 funding scenarios: no increase in funding, increases consistent with CPI, and increases equal to the average of the prior three years.
 - 2 costing scenarios: for example, inflationary trend increases and historical 3 year trend.
 - Proposed actions the trustees would take for each scenario: for example, plan reductions and administrative efficiencies.

If the most recent actuarial report covers a year that is part of the collective agreement, plan design changes will continue to apply where the CFR is projected to be below 8.3% in such a year or if the current year's CFR falls below 8.3%.

Finally, the Parties confirm that any decision to maintain or change benefits Plan design is at the discretion of the Board of Trustees, subject to any restrictions in the CUPE EWBT Agreement and Declaration of Trust, Collective Agreement, or the Income Tax Act and in accordance with their responsibility for the ongoing operations and long-term financial sustainability of the CUPE EWBT.

This does not apply to areas or facilities that are leased by or to the Board or that are joint ventures or co-operative type arrangements as long as it will not cause a layoff of current custodial staff.

- L11.04 The Employer will not contract out any work which will result in any Employee in the Bargaining Unit being laid off work or suffering a reduction in their regular hours of work or hourly rate of pay. The Employer will not contract out any work while there are qualified Employees on layoff who are available to perform the work.

- L11.05 Employees whose jobs are not in the Bargaining Unit shall not perform any Bargaining Unit work while Employees qualified to perform the available work are on lay off, nor shall such Employees be utilized to the extent that it causes the lay off or reduction in hours of Bargaining Unit members.

It is further understood that the terms of reference for the Early and Safe Return to

Work Committee also will provide for the accommodation of Employees that have not been absent from work.

L15.02 An Employee who wishes to apply for any posted vacancy shall apply through an electronic process to the Human Resources Department during the period of seven (7) working days. The application shall be submitted by the close of business on the seventh (7th) working day from the date of posting. Until the completion of their probationary period, a newly hired Employee to the Bargaining Unit shall not be eligible to apply for a posted vacancy that would require them to vacate their current position based on the advertised hours of work, except with the Employer's permission.

- L15.08 In the event that two Employees of equal qualifications wish to arrange a lateral transfer, they shall meet with the Employer and such transfer will be permitted provided that arrangements satisfactory to the Employer and both Employees can be agreed upon. In order to be considered for a lateral transfer, an Employee must have worked a minimum of sixty (60) days in their position. $$\frac{\text{Accumulated Days}}{200} \quad \times \quad \frac{2}{100} \quad \times \quad \text{Salary of last year} \quad \times \quad \text{years of service}$$

- d) On the death of an Employee who commenced employment with the Board after January 1, 1975 and prior to September 19, 1978, who has completed ten or more years of continuous service with the Board immediately prior to death, the Employee's estate shall receive an amount equal to ½ of the Employee's accumulated sick leave as of that date X 1/200 of the Employee's last year's salary, providing it does not exceed 50% of the Employee's last year's salary prior to death.

and who has completed ten (10) years of continuous service with the Board immediately prior to the date of cessation of employment, shall be paid, or, if deceased, the Employee's estate shall be paid a gratuity equal to the value, under the practices of the Board, of one half ($\frac{1}{2}$) the number of days of accumulated sick leave credit, recalculated, if necessary as set out in section 2 in the case of an Employee not covered by a Union agreement and hired prior to 1964 September 01; but such payment shall not exceed one half ($\frac{1}{2}$) of the Employee's annual salary including any responsibility allowance received during the Employee's last year of service with the Board.

In the case of an Employee not covered by a Union agreement whose service has been continuous from 1964 August 31, the accumulated sick leave credit shall be doubled, subject to a maximum of two hundred (200) days in total, and a special accumulated credit shall be recomputed to the date of termination, subject to the rules of, and using the same debits and credits as occurred in the operation of, the sick leave plan since 1964 September 01, and subject at all times to the maximum accumulation permitted under the plan.
